

EMPLOYMENT OPPORTUNITY

LECTURER in LITERATURE

Beinn Mhàbu, a campus of Colaisde na Gàidhlig | The Gaelic College invites applications for a full-time, limited term Lecturer position in Literature. This position will commence October 23, 2023 and end December 15, 2023, with the possibility of renewal.

Beinn Mhàbu delivers a unique, culturally focused, and community-based educational experience to all who become part of its community.

The successful candidate will teach one first-year, six-credit Literature course (*Literature of the Gael*) over six weeks in the Fall semester; evidence of teaching excellence is critical. Candidates should have a Master's degree in a related discipline.

Course Description: This course traces the historical development of written Gaelic literature from its earliest records to present day, focusing on three areas: the middle and classic eras up to 1780 CE, Gaelic literature globally since the 1780s, and Gaelic literature in Nova Scotia since the 1780s. This course explores the relationship between literature and its historical and cultural contexts and emphasizes reading, research, and writing. All texts in this course will be English translations.

This course is provided as part of the Beinn Mhàbu Foundation Year Program (*Gaelic Foundations: Living Cultures*), in collaboration with Cape Breton University. It is delivered onsite, at the Beinn Mhàbu campus in Mabou, Nova Scotia.

Applicants are expected to demonstrate potential and commitment with regard to teaching and service to Colaisde na Gàidhlig, community, and profession.

For more information and to apply, please contact info@beinnmhabu.ca.

Applications must be received by **October 14, 2022**.

Please note that all qualified candidates are encouraged to apply but applications from Canadians and permanent residents will be given priority. Gaelic cultural appreciation and language is considered an asset for all positions at Colaisde na Gàidhlig
